

Cantilever Brackets Wall Mount Angle Support

Part Number	Dimensions	Material
OTL2 - 18	18" horiz. x 18" vert.	Steel Gauge: 16 Tube: 1"

Note:

Outside edge of top plate is 18" from wall.

Top Plate size: 3" x 3"

Recommendation:

Use an angle iron for additional support.

Tabletops should extend from 2" to 8" beyond the horizontal dimension.

Cantilever Brackets Wall Mount "L" Support

Part Number	Dimensions	Material
OTL3 - 22	22" horiz. x 18" vert.	Steel Gauge: 16
OTL3 - 30	30" horiz. x 18" vert.	Tube 2"

Note:

For mounting, includes a 1-1/2" x 15-1/2" angle iron and a 2" x 5" top bracket, all welded for one-piece construction.

Recommendation:

Tabletops should extend from 2" to 8" beyond the horizontal dimension.

Cantilever Brackets Floor Mount "L" Support

Part Number	Dimensions	Material
OTL4 - 22	22" horiz. x 28" vert.	Steel Gauge: 16
OTL4 - 30	30" horiz. x 28" vert.	Tube: 2"

Note:

For mounting, includes a 1-1/2" x 15-1/2" angle iron and 2" x 5" top and bottom brackets, all welded for one-piece construction.

Recommendation:

Tabletops should extend from 2" to 8" beyond the horizontal dimension.

Angle Iron

Part Number	Dimensions	Material
AI16	1" x 1" x 16"	1/8" thick
AI24	1-1/2" x 1-1/2" x 24"	

Recommendation:

Use as additional support for OTL2 - 18 Wall Mount Angle Support.

Shelf / Counter Support

Part Number	Dimensions	Material
SC2020	20" horiz. x 20" vert.	Leg Dia: 1/4" x 1-1/4"
SC2620	26" horiz. x 20" vert.	Diagonal Brace: 1" Square Tube

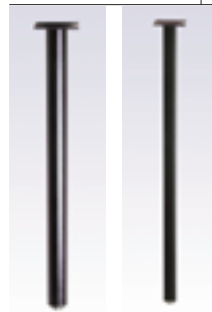

Note:

Useful for support of storage shelving or of perimeter wall counters.

Pin Legs

Part Number	Dimensions	Material
PL114SQ	1-1/4" Square	Steel Gauge: 16
PL2SQ	2" Square	
PL114RD	1-1/4" Round	
PL2RD	2" Round	

Note:

Standard height is 28" overall. Adjustable glide is included with pin leg.

Recommendation:

Use pin leg near the outer edge of a tabletop longer than 54" for additional support.
